

We help older and disabled adults:

- **Connect**
- **Explore**
- **Learn**
- **Help**
- **Laugh**

Be a Volunteer

UR Community Tech Center is a place for learning and sharing.

- People with a range of technology skills are invited to volunteer as classroom helpers and onsite coaches.
- We also need non-technology support such as visitor sign-ins, room set-up and generally helping people feel welcome and ready to learn.

Volunteers sign up online or by phone.
We invite helpers of all ages!

"Our programs aim to unite individuals, providing opportunities for learning, socializing, and enjoyment."

Michelle Puzzo, Co-founder and
Executive Director

Welcome To UR Community Cares

Our Mission:

To connect older, disabled and special needs neighbors with caring community volunteers to provide in-home non-medical support services that enable individuals to live more fulfilled, independent, happier lives at home, by safely "aging in place" with the dignity, care and respect they deserve.

Donations enable us to operate as a statewide 501(c)(3) organization, collaborating with municipalities, securing grants, organizing fundraisers, and receiving contributions.

Tech Center Hours:

Mondays, Thursdays, Fridays
10:00 am to 3:00 pm
153 Spruce Street, Manchester, CT

Free Classes & Events

UR Community Tech Center, Connecticut's first Senior Planet partner, offers free tech coaching and a curriculum specially designed for people age 50 and older. Our class schedule is updated monthly and facilitated by our trained Tech Center team with beginner learners in mind.

In addition to Senior Planet classes, you can attend socials, presentations by trusted community partners and special guests. Monthly schedules are posted online and can be picked up at 153 Spruce Street, Manchester, CT.

UR Community Cares 2025 Programs

- **Neighbors Helping Neighbors:** Volunteers assist with daily tasks, errands, and companionship, fostering a stronger, more inclusive community.
- **Cycling Without Age Manchester:** Providing access to events and parks for older and disabled adults to enjoy free recreation.
- **UR Community Tech Center:** Offering technical support and resources to help older adults adapt to new technologies.
- **UR Vision Resources:** Supporting individuals with vision impairments through various services and resources.
- **UR Hearing Resources:** Programs to support hard-of-hearing, deaf and deafblind individuals.

**Monthly Group Meetings
(1st Tuesdays)**
Blind and Low Vision Support
Group

Get To Know Us

UR Community Cares launched its secure digital platform in 2019 as a way to connect older and physically disabled adults with local volunteers.

Volunteers provide support upon request for home and yard chores, transportation and companionship to older and physically disabled adults.

Impact of Neighbors Helping Neighbors:
